Linebarger Named Champion for Women in Law

Linebarger Goggan Blair & Sampson, LLP (Linebarger) once again leads the way when it comes to employing women lawyers throughout the firm's nation-wide operations, which focus on the collection of delinquent receivables owed to public entities.

Linebarger placed 15th among the 264 firms measured by the National Law Journal's Women in Law Scorecard. Linebarger was the top-rated Texas law firm.

In 2017, 36 percent of Linebarger's 125 lawyers were women and 37.2 percent of the partners were women.

Bridget Moreno Lopez, managing partner of Linebarger's Dallas office, told [Texas Lawyer](#) that the firm strives to have its lawyers and employees reflect the demographics of the communities where they work, including women and minorities.

"Over the years, we've learned pretty quickly that people gravitate toward people like them, and so you've got to have a diversity of those types of people, whether man, woman or minority," she said.

Lopez is not alone as a woman attorney leading an office for Linebarger. Women attorneys lead offices in Chicago, New York, Denver, El Paso, and the Rio Grande Valley.
